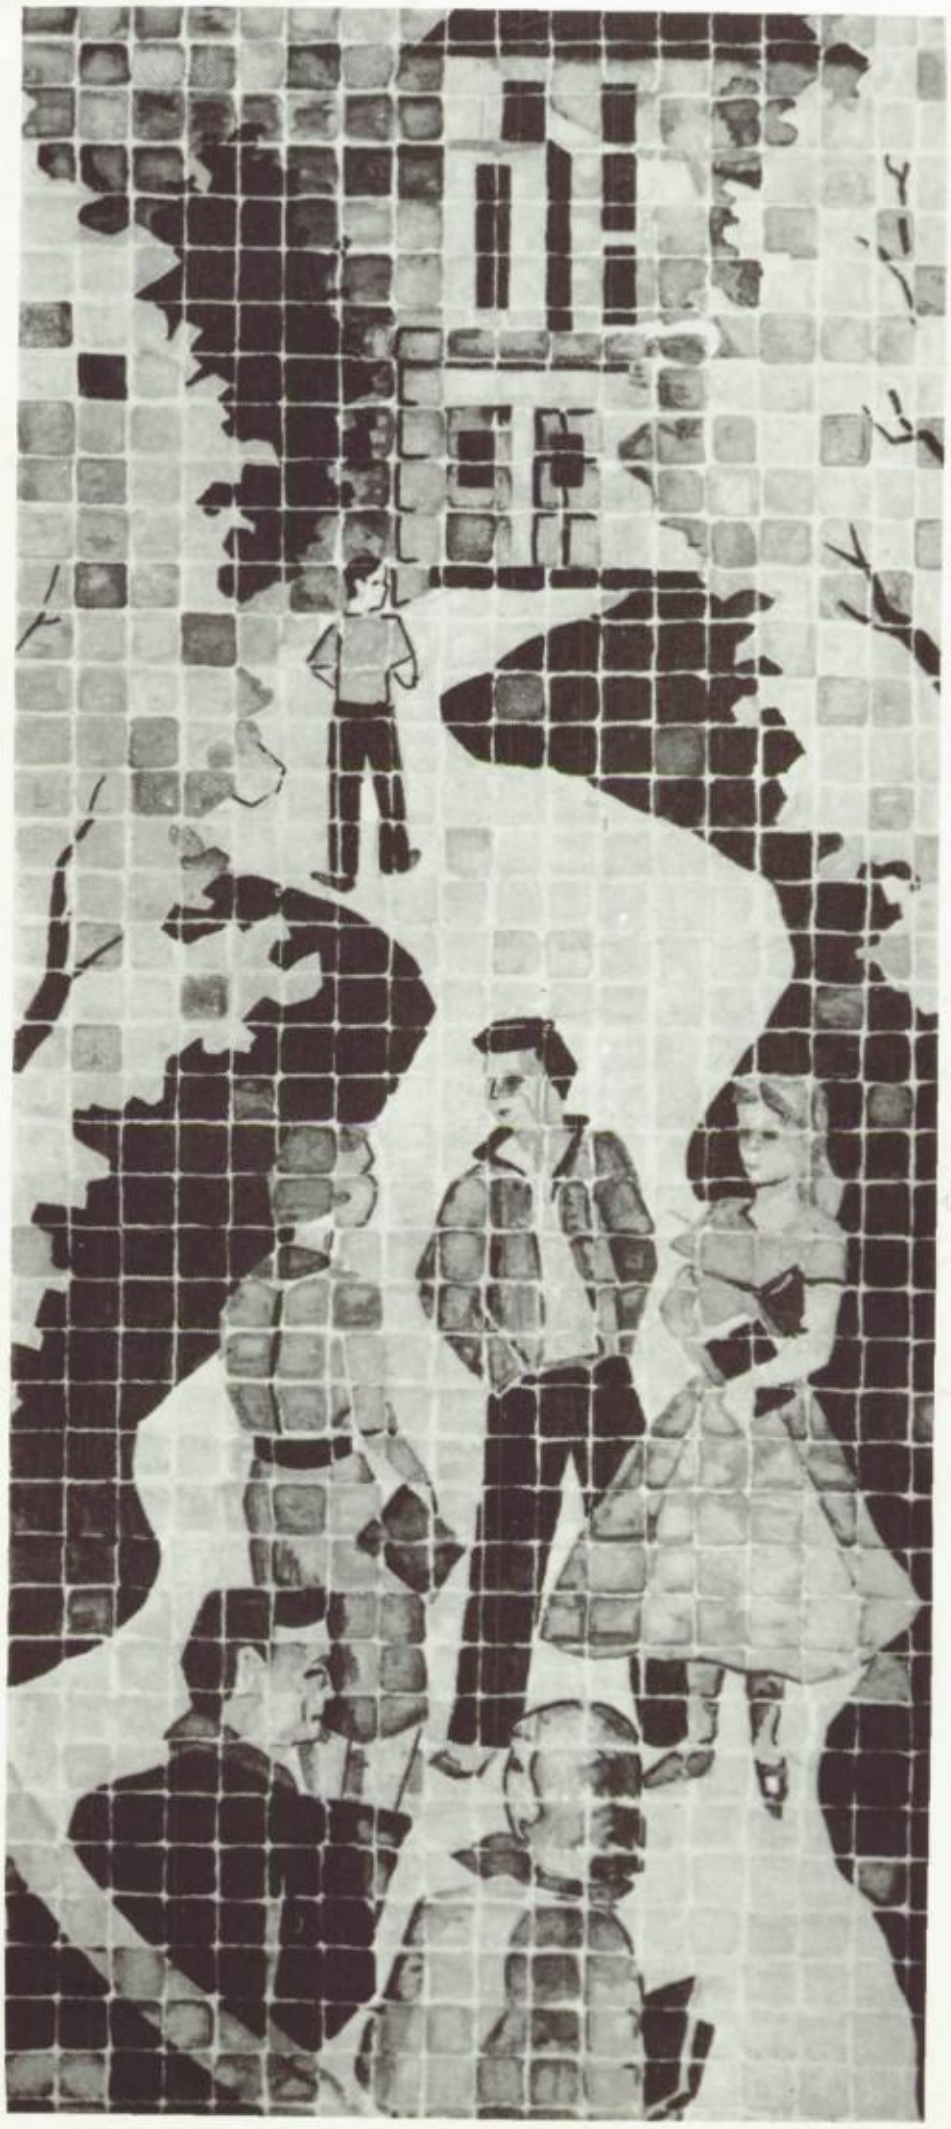
SCHOOL

A shining education
Must be our immediate aim,

To read, to write, to think and sing,
Can bring us worldly fame,
But if we wish to reach our goal,
An effort should be made,
To use our knowledge effectively,
For firm foundations to be laid.

Dear Arlene,
Good luck
in your future
years. I have had
a lot of fun
Brentwood Schurz
with you.
I hope our
friendship will
continue on.
Love Always,
Lori Ryle
Jon Gay



At the end of the year we balance the books to see what we have accomplished. We have had a good, full year of growth and progress.

We have reached a membership of almost thirty-seven hundred. Many departments have new, additional teachers. Provisions have been made for several levels of instruction. Serious minded students with ability have an opportunity for a better education to prepare them for college.

Many physical improvements have been made within the building. More repairs and remodeling are scheduled for the summer months.

Not measurable but very important is the growth in attitudes, judgement and citizenship of our young people. We have faith in our students and believe that faith is justified.

This book is part of the record of a good, full year at Schurz. In the years ahead you will treasure it as a memory of busy, happy days.

Sincerely,

George A. Olson

Mr. Charles A. Buell, Assistant Principal

Looking in retrospect at our year's accomplishments we see:

Our Scholastic achievements—scholarships and outstanding awards.

Our educational strides, including accelerated classes for rapid learners, special help for slow learners.

Our public and community relations through the newspapers and neighboring businessmen.

Our athletic prowess with victories in all sports.

Our musical accomplishments: Messiah, Seven Last Words, Band and Orchestra Concerts.

Our faculty participation in preparing our students for better, richer, and fuller lives.

In retrospect our year's accomplishments seem gratifying and offer encouragement for bigger and better things in the ensuing years.

Mr. Henry Solem, Assistant Principal

"The joys of parents are secret; and so are their griefs and fears."
—Francis Bacon

In its deepest sense this is true. While your young people are in school we are allowed sometimes to get a glimpse of your joys, griefs and fears. To some extent we are permitted to share those feelings not as intensely as parents of course but strongly enough to allow us to qualify as your colleagues in the important enterprise of bringing these young people to their full powers and maturity.

For the graduates and their parents the past four years have been an important time of accomplishment. Many thanks and appreciation are due the parents for the growth and successes of the young people.

Miss Ethel Doerrer, Assistant Principal

This year has been an eminently successful one. Students have exhibited a gratifying awareness of the fact that good scholastic records are needed both for college entrance and for obtaining employment with a future. Colleges and employers alike seek the following information for each applicant: scholarship record, as indicated by the rank in class; ability to get along with teachers and classmates; integrity of the individual; the student's use of his full capabilities; and the attendance record. The students who realize the importance of their records early in their school careers will surely obtain admissions to their preferred colleges or preferred employment.

The Schurz Home of District Five

I am very pleased that the District Superintendent's Office is located in this fine school where everyone is so considerate and courteous. This atmosphere makes it easy for the office to serve its true function which is that of service to the schools, their staffs, and the pupils of District Five in order that this area may have the best possible program of instruction.

ACTIVITIES

The clubs that we join bring us pleasures untold,
The challenges through our activities mold — better
citizens,
As underclassmen we tried to attain,
Standards for future scholarship gain,
With character, service, and leadership too,
We reached our ultimate aim — N. H. S.

The stage crew, under the direction of Mr. Carlson, is certainly a very busy service organization. These boys assist the school in every production that is put on.

The boys who belong to this special group give a great deal of themselves and are always on hand when they are needed to help with the stage settings, operation of 12 speakers and 9 microphones and making sure our performances will go along smoothly in the Schurz Auditorium.

Maintaining a "G" average or better is one of the responsibilities of these helpful boys—plus a knowledge of electricity and the rules and regulations of our school.

Remember—The next time you enjoy a performance in the Schurz Auditorium —be thankful for the "Men behind the scenes."

A Course in Democracy

The Schurz Student Council is a very important organization run by the student body and under the sponsorship of Miss Falkenroth and Mr. McCarthy.

Last semester this organization was responsible for making handkerchief and stationery holders for the Veterans' Hospital and also giving a Christmas party for the Lawrence Home for Boys.

This semester, the Council's most recent accomplishment was the Spastic Drive for the Burbank School, for whom they raised $400. Their recreation program this semester was very interesting also. A roller skating party, which was held at the Hub Roller Rink, proved to be a great success.

The students who are selected for membership in the National Honor Society must excel in Character, Scholarship, Leadership, and Service. Members must have and maintain an E-plus average. The first semester that anyone may try out for this organization is during his 3A semester. Five Percent of the class is accepted at that time. Each semester thereafter five percent is accepted so that by the time of graduation, only fifteen percent of the class belong.

Being a member of this society is indeed a highly prized honor and an honor that is not easily forgotten.

Schurz Senior and Solo Choruses

The auditorium is filled. All eyes are on Mr. Arthur Clark, our chorus director. After a moment's silence the air is filled with harmonious song, followed by pleasing applause from the audience.

Each year through the combined efforts of the Senior and Solo Classes, the Messiah, the Seven Last Words of Christ and the Fall Festival are presented in Slocum Hall. There are also other assembly programs which are given for our enjoyment.

Every day the Senior Chorus, consisting of approximately 100 4B and 4A students, practice second period for special presentations and of course their graduation ceremony.

The Solo Chorus, consisting of about 190 music-minded students, meet sixth period and also practice special presentations and a few pieces for choral competition.

Without the combined efforts of Mrs. Lilian Arnesen, accompanist, and Mr. Arthur Clark, director, our chorus could not exist. Their motto is "It's work, but fun."

An Opportunity for Self

If you've ever had the ambition to climb the ten flights of stairs to the bandroom, you would find yourself in a completely new atmosphere. The spacious bandroom, at one time the Schurz lunchroom, amply accommodates the 120 piece concert band with room to spare. Captain Harvey chooses a wide assortment of music, from Beethoven to Goodman, and gives each student an opportunity to acquire a taste for all types of music. Students especially interested in music as a vocation are given additional experience in conducting during class and at concerts. Two concerts are given a year and the money received from tickets is used to purchase new instruments and music. Last year's proceeds paid for a set of risers, long needed in the bandroom.

The Band is a democratic organization. Officers are elected each semester by the student body and take charge of the band's social functions. Tryouts for solo chairs are held annually and winners are chosen by secret ballot.

The Dance Band, Marching Band, and Woodwind Ensembles are integral parts of the band and play an important role in expressing the individual talents of the band-members. Ask any band-member what he thinks of the band and he'll say it's terrific.

Teenagers have many many problems: what to wear, what to say, what to do, and Mrs. Krenz, the sponsor of Young Moderns, has, for the past ten years been doing her best to help young people solve these problems.

The girls in Young Moderns have discussions on such things as proper relationship with the family, how to apply for a job, how to make up, and dating procedures. The girls also see movies on these subjects. This semester many of the movies were on the junior prom, which helped many of the juniors in the club.

To complete the round of these busy club activities the members answer questions in teen magazines such as Co-ed.

Yes, girls, if you have a problem that is bothering you, if you want the opinions of girls your own age—try The Moderns.

The girls practice water ballet, improve their diving and have a good time participating in many swimming games.

Eligibility is based on the following: two lengths of the breast stroke, front and back crawl and the simple back stroke.

Need lessons? Want to have more fun this summer? Just ask one of our expert swimmers; they would be more than happy to help.

The purpose of the Schurz Lee Tri-Hi-Y is to create, maintain, and extend throughout the home, school and community high standards of Christian character.

We stand on the platform of pure thoughts, pure words, and pure actions.

In the past two semesters, Lee Tri-Hi-Y has carried out educational, physical, religious and service projects —

EDUCATIONAL:

The Telephone Company presented film and demonstrations twice during the year.

A TWA stewardess spoke on job possibilities in the airlines.

Lee girls toured the Sun-Times Building in April.

Dr. Fitch, of Northwestern University, lectured in May before a joint session of Schurz Tri-Hi-Y's.

PHYSICAL:

Early in fall, the girls played miniature golf.

Due to lack of snow, January's toboggan physical was postponed.

Volleyball-Swims at the Irving Pak Y.M.C.A. were planned three times during the past year. In May, Lee girls invited guests or prospective members to attend.

In June, the girls participated in an indoor picnic and ping-pong session.

SOCIAL:

Date Nights, planned by Lee and Loral Ti-Hi-Y's, became a splendid memory after May 9th and November 14th. For Lee's graduates, Senior Farewell's honored the girls, and mothers, too.

RELIGIOUS:

In November, Lee visited a Jewish Temple. Lee helped in the Thanksgiving joint worship service.

During Lent, Lee participated in the joint Easter worship service held in the Boys' libby of the Irving Y.

SERVICE:

In October, Lee earned service money through a Box Social.

Wash cloth dogs were made for an orphanage.

Roosevelt and Schurz Tri-Hi-Ye's Lee included worked feverishly to make the Penny Carnival of April 17 successful. All profits went to the Y Finance Campaign.

Lee girls prepared pretty Easter baskets with candy and favors for the youngsters at Children's Memorial Hospital.

Schurz Lynn Tri-Hi-Y

This is another of our active Schurz Tri-Hi-Y's. Lynn consists of about fifty members who meet at the Irving Park Y.M.C.A. This year their activities were numerous; among them were a visit to Northwestern University, holding a bake Sale, of which the proceeds went to charity, making dolls for the underprivileged children, and perhaps the most fun—holding their Sady Hawkin's Dance . . . Lynn is open to all Junior and Senior girls.

Lorol Tri-Hi-Y

The purpose of the Lorol Tri-Hi-Y organization is to create high standards of Christian Character. Some of the most important learning experiences come through the contact with others.

Lorol Tri-Hi-Y, composed of more than 45 girls, offers its members an opportunity to work together on various service and social projects. Among their activities are a Penny Carnival, Mothers' Teas, box lunch and the very important Date Night.

The girls for this club are carefully picked because many of them will become our Cheerleaders. They are in the club for one year, during which they learn all the cheers, and then the best ones are picked to be on the squad that we see at all of our games.

The Library Club is open to anyone interested in our library and reading. The sponsor is Miss Guthman, but Mrs. Golden is always around with ideas that are always interesting.

The members of historical models make models or draw pictures of historical places under the guidance of Mr. McCarthy. The purpose of this club is to make history more interesting for those interested in the subject.

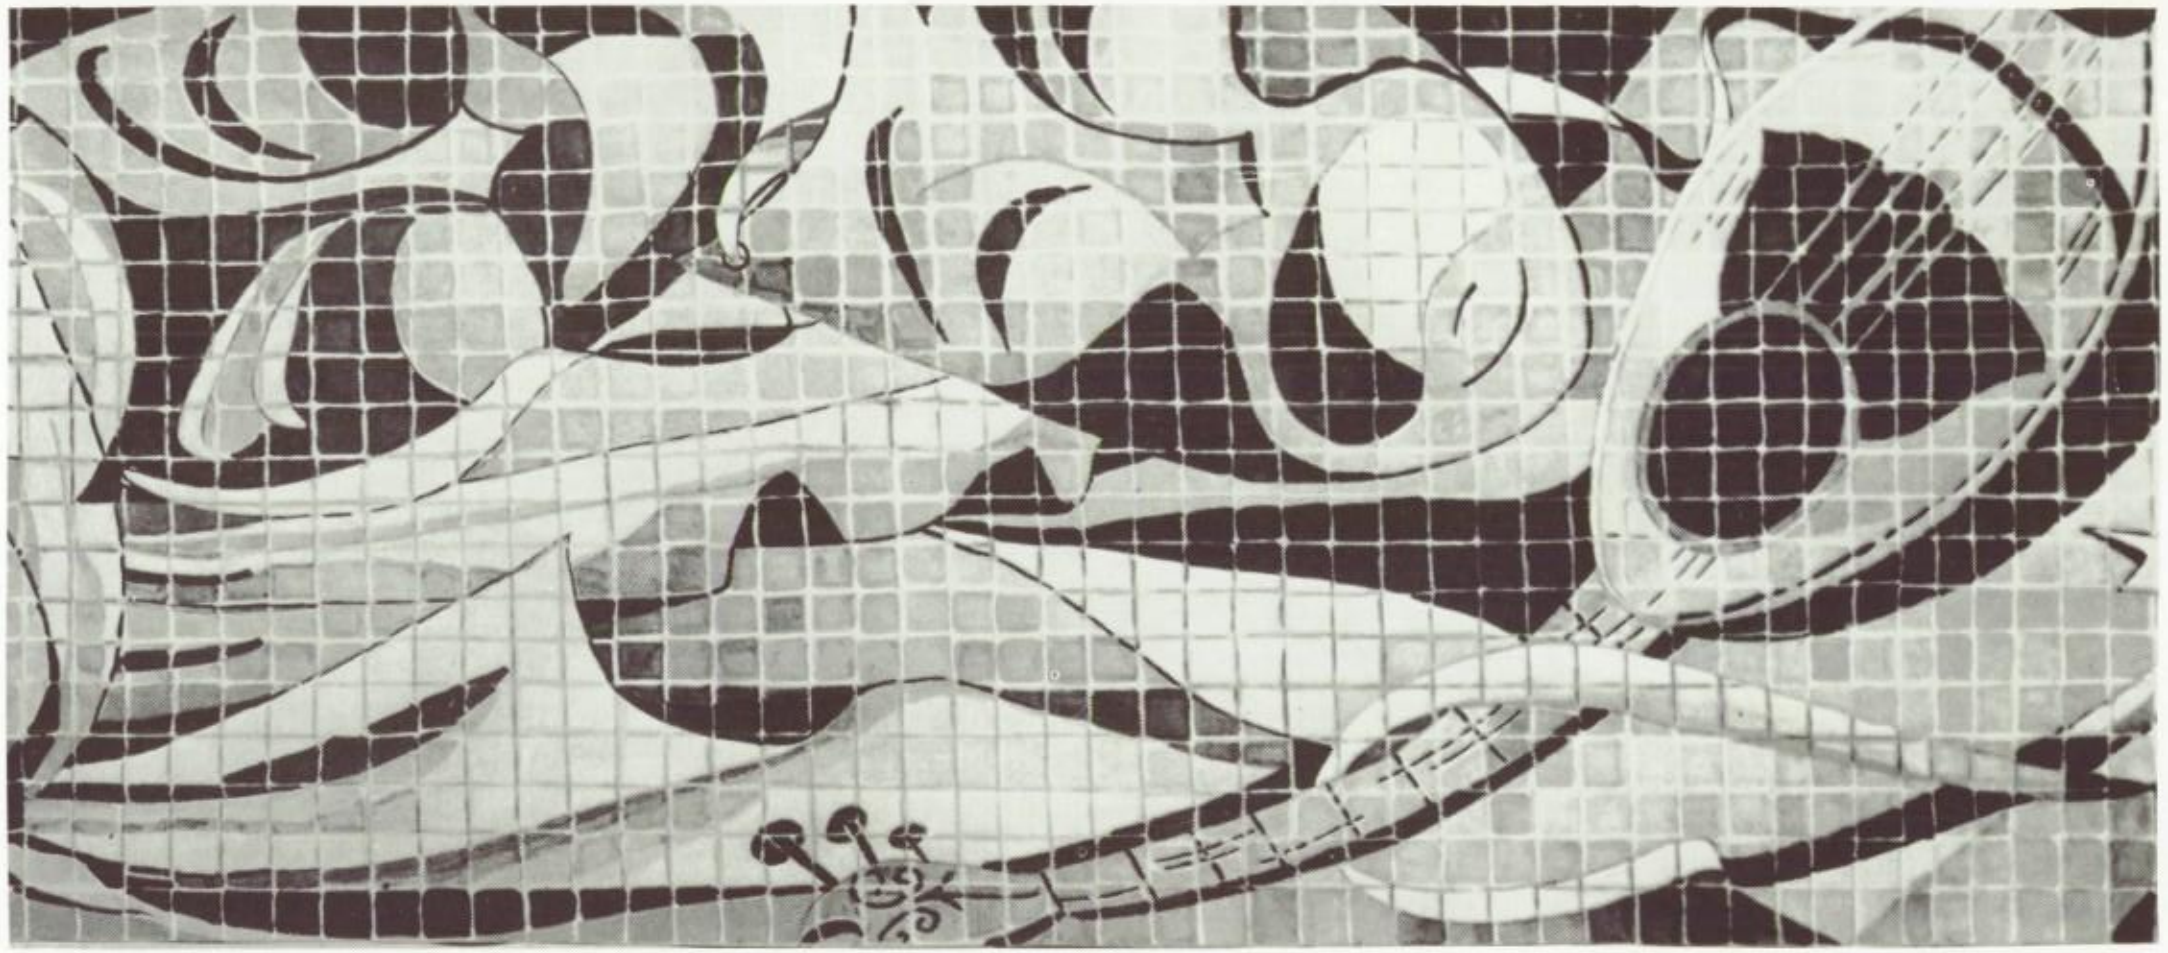
EVENTS

The time has come, to talk of many things:
Of plays, and books, and music,
Of artistry and strings
And how the year has been fulfilled
With study and friends, and so—
It brings us closer to our future goal.



The Autumn Night was Filled with Music

Soothing symphony music, choral harmony and enthusiastic jazz; all were heard on the evening of November 7.

The Symphony Orchestra with Mr. Bernard Fisher conducting started the memorable evening by playing favorite instrumental selections.

Soon Slocum Hall was filled with beautiful choral harmony featuring the choristers directed by Mr. Arthur Clark.

Climaxing the Fall Festival was the swing beating jazz played by the Concert Band under the direction of Captain Harvey. All who heard the performance agreed that Schurz has real reason to be proud of its many musical departments.

Homecoming – 1958

A winning game, floats and a beautiful queen and court: what more could one ask for? This year's Annual Homecoming Game had all of these ingredients and provided a wonderful day for all who attended. As half time approached, the tension mounted–finally last year's queen, Karen Pender, made the long awaited announcement: "The new Queen is Marie Chmielewski," with her court consisting of Gale Olsen, Marilyn Garbe, Ardyth Holmes and Kathy Holzinger.

Following the crowning of the queen, there was a parade with four floats and a few decorated cars. To top off the day, our bulldogs charged on to victory over Steinmetz.

Juniors Bring Paris to Schurz

The theme of this years Junior Prom, "Les Enchantes," was certainly one that fit the mood of everyone who was there. Paris was evident everywhere, from the different scenes of Paris, and the sidewalk cafes, to the beautiful Eiffel Tower which dominated the dancing floor.

The crowning of the King and Queen, Jim Horn and Jackie Hutins was a highlight of the evening. Following this, everyone joined in the traditional grand march and concluded with singing Deep in My Heart Schurz. Truely, it was an "enchanted" evening.

The Cadet Hop

Handsome cadets, beautiful girls, and soft music made up the setting for the annual Cadet Hop which was held at the 19th Century Club in Oak Park on November 26, 1958.

The high light of the evening was, as always, the crowning of the queen, who this year was lovely Kathy Holzinger. Her court included Mary Anne Darby and Bette C. Bristol.

The queen and her court were each presented with a crown and a beautiful bouquet of flowers.

The enchanting night will long be remembered by those who attended.

The Annual Businessmen's Luncheon

Background: Our own hostesses serve the delectable meal while sponsors and teachers help in the background.

Lower: Choristers add a festive note to the occasion.

Once again this year Schurz played host to the business men of our community. The annual Business Men's Luncheon was held in the library on December 13. Some 200 business men, members of the Kiwanis Club, Northwest Manufacturers' Association, and the Lions Club, attended the luncheon and through the joint efforts of the Faculty, Schurz Hostesses, and the Schurz Choristers, they enjoyed a memorable afternoon. The purpose of this meeting is to strengthen the bonds between school and community.

National Honor Society Induction

Fifty-eight inductees were received into the Schurz Chapter of the National Honor Society.

The program was opened by the president, Robert Benewicz, followed with the singing of Malotte's "Beatitudes" by Mary Gralak.

Mr. Roger Goodwin then told the purpose of the society and the manner of the selection of candidates.

The four cardinal principles, Leadership, Service, Character, and Scholarship, were explained by Lynn Bukell, Ken Bjork, Brenda Weimer, and John Stiska.

The inductees' names were then read off by Marilynn Wessling, after which they were presented to Mr. G. A. Olson, Principal. Arthur Groelich spoke on behalf of the new members.

After the assembly the members and their guests attended a reception in the social room.

The sponsors of the organization are Mr. Goodwin, Miss McVey, Miss Stauder, and Mr. Roncoli.

Christmas Comes to Schurz

Every year it has been the tradition of the Schurz Choirsters, accompanied by the Schurz Symphony Orchestra to present the inspiring Christmas program, Handel's "Messiah." The annual performance this year was given on two evenings, December 12 and 13 in Slocum Hall.

Without the expert guidance of conductor Mr. Arthur Clark, Mrs. Lillian Schuletis, accompanis, and Mr. Bernard Fischer, orchestra leader, this program could not have been the success it was.

Four guest soloists were asked to assist the choirsters. They were Mr. Alan Rogers, Mr. Richard Best, Mary Moore and Dorothy Linden Kreig.

The Messiah will long be a fond memory in the minds of everyone who either participated in it or heard it.

Inspiring Music for Easter

Each year the Schurz Choristers, with the accompaniment of the Symphony Orchestra, presents the inspiring Lenten program, "The Seven Last Words." The annual performance was given on Palm Sunday (March 22), and again on Holy Thursday (March 26) for the students.

This year special songs were sung representing various religions: Latin, Adoramus te; African Spiritual, Koom-Bah-Yah; Hebrew, Avodath Hakodesh, and Psalm 50.

As always, it was one of the best musical productions presented by Schurz.

A Dream Come True

On January 23, the air was cool and crisp. The moon shone down on excited faces, and beautiful formals. This was the night we waited for—the Senior Prom.

The whole day had been hectic; the fellas grumbled about stiff white collars while the girls worried about every little thing—but it was worth it.

We entered the ballroom in the Evanston Women's Club filled with familiar faces. The music, mingled with laughter and excitement, floated through the air and started everyone dancing. Could it be our sponsors had just as much fun as we did.

The clock struck twelve and the Cinderella Ball was over. Our theme had been "Lest We Forget" and I'm sure we never will.

January Graduates Hold Annual Luncheon

Class officers, administration representatives, and sponsors have an enjoyable time.

The Tip Top Room of the Georgian Hotel in Evanston was the scene for the January Graduate's Senior Luncheon. Held traditionally the Monday before graduation, it was their last big event before the graduation ceremony.

The program was varied and entertaining: vocal solos by Paul Bosnyak and Loree Lindahl, a clarinet solo by Robert Steiner, a selection from the Senior Singers and finally, the presentation of awards by Mr. Olson. The theme for the Luncheon was "Memories That Linger," and certainly the memories of the January Senior Luncheon will linger forever.

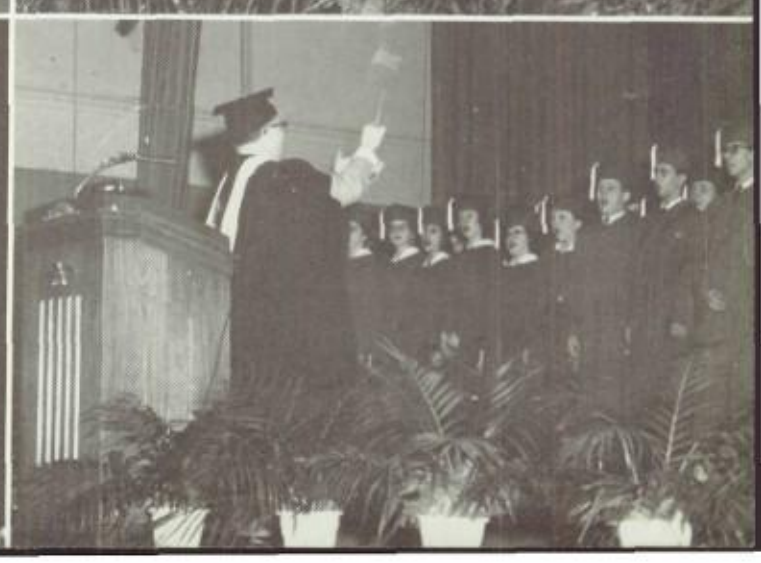
All the Seniors had a wonderful time.

"we will remember you ever . . ."

Graduation is the magic word to all Seniors. It is the final and culminating event for all of us.

As we look back upon our high school careers, we see things we shall never forget. We see friends we've made of students and teachers and all the fun our long awaited senior year has brought us. The elections of class officers and notables, the poster parties, campaigning, and of course of our senior prom will remain as fond memories.

Finally, as the day of graduation comes, and we sing our Alma Mater for the last time, a touch of sadness fills our hearts and we say our final farewell to our friends, teachers, and our school, Carl Schurz High.



ATHLETICS

I passed by the gym and marked with one eye,
That the girls were in practice to toss the ball high.
In the pool they are taught to dive and to swim,
As well as to march and keep themselves trim.

The field near the school is the center each day,
Of the gym class activities — both work and play.
It's there the boys practice for football and track,
To bring our school honor where other schools lack.

Best wishes for a happy future with Jerry.

Love
Kathy McLeod.

P.S.
Be good and stay as sweet as you are now.

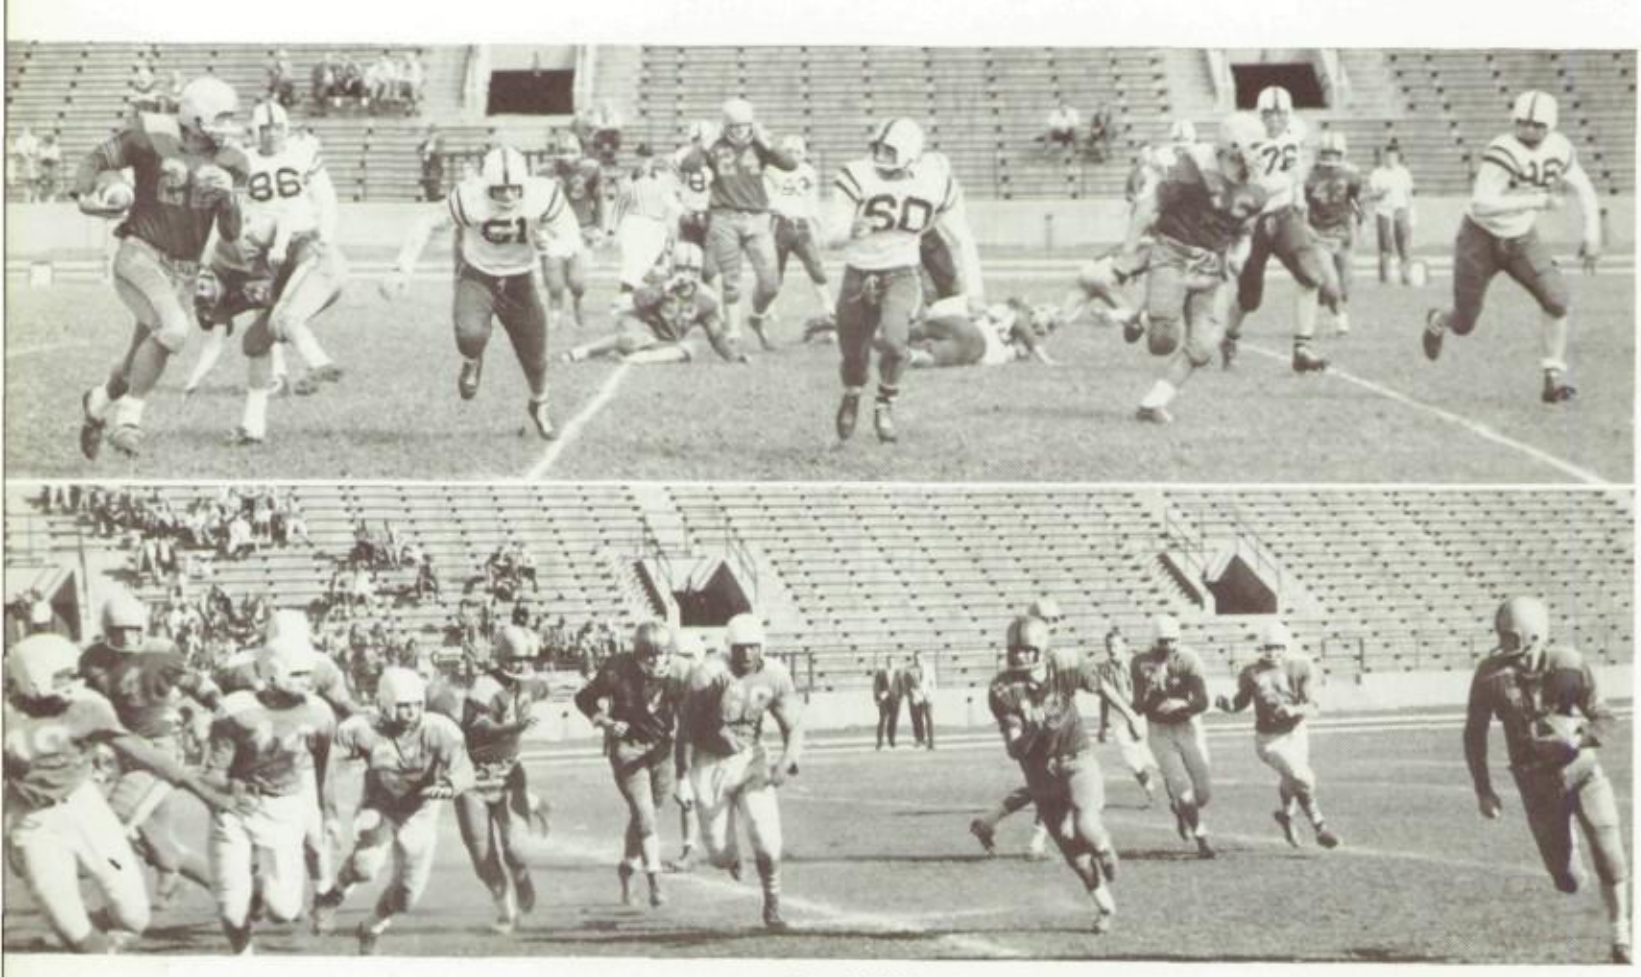
Schurz Gridders



Harold Klingsborn breaks through Austin line.

Bill Krebich successfully baffles Harrison line.

Making this year's team one of the most inspired of all times the Schurz Bulldogs, after three successive defeats put on one of the most thrilling comebacks in the history of prep football. Some of the athletes who made this possible were first of all the seven blocks of granite. Our man over center Frank Ibitzon, was pound for pound one of the most aggressive and inspired players in the state. Jim Karambelas cracked the opposition with outstanding defensive alertness. John Walczyk, whenever the going got rough, the team could always depend on Frenchie. Don Cluis handled the opposition with crushing tackles. John Stiska, a junior facing a tough assignment, but came through like a pro. Leon Egleston was one of the most aggressive downfield blockers on the team. Dale Simek was one of our finest tacklers.

Star in City Finals

Next came our consistent, ground gaining, offensive team. At the head of the attack came Steve Weil, we could always rely on Weil for an extra yard. Bill Kribech, a quiet guy, made a loud showing. Tom Anderson, being a junior, was heavily criticized but came through with good passing. John Stummer showed signs of being a top contender for city honors on next year's team. John Rapp was an exceptional line man, also played an important part in making extra points after each touchdown. Jack Bade was relied upon to fill in at practically every position in the line, and came through in fine fashion. Jim Kula's brilliant blocking cleared the way for many touchdowns. Art Zelinski showed talent by throwing the key block which sprung Weil loose for the lone touchdown against Lane. Bob Kreibeck was one of key men of our offensive attack, but early in the season was injured. Dave Johnson and Dick Fee took over for ailing Kriebeck and did a fine job. Lou Rospond baffled Amundson's defense with his balanced running.

Bill Kreibich caught after 10-yard gain against Austin.

In order to have a successful team, a school must have more than eleven men who could be relied upon. These players were perhaps the greatest factor in the success of our football team: Tom Luczak, LeRoy Shankee, Tom Michalski, Ray Kratz, Darl Sandberg, Mike Sullivan, Joel Sheon, Herb Mazal, Frank Lebrandy, James Panfil, Marty Schneff, Herb Lang, Walt Wadington, Art Kossack, Larry Kossack, Steve Valesak.

Bulldogs North Section Champs!

Thanks to stunning upset wins over arch rivals Taft and Lane during the closing days of the season, our Schurz Bulldog basketball team brought us the coveted North Section Championship. All City guard Tom Anderson ignited the winning spark while scoring 27 points against Taft and 24 against Lane. The other guard, Ed Bohn, was the team's third high scorer and together with Andersen formed what was very possibly the best back court in the city. Team scoring honors went to Forward Joe Stopa who also received the free throw percentage trophy. Although he did not score in high figures, Capt. Hal Klingsporn was a valuable addition to the team because of his outstanding rebounding abilities. The starting five were rounded out by Junior center Walt Wadington, who had a very fine season.

Trackmen Place in City Meet

The Junior track team under the direction of Coach Gallagher made a spectacular performance by breaking several Schurz records and tying one. Dennis Dworski broke the 9 year record in the low hurdles. Louis Jacobs broke the 4 year record in the 880. Dave Marinello tied the 8 year record in the shot put. The Juniors also managed to take 5th in the Indoor city meet and are hoping for another fine performance in the outdoor meet.

The Seniors managed to take 6th place in the indoor track meet and 4th in the northwest relays. In the northwest relays Bruce Spencer took first place in the pole vault, and Robert Lutz took second in the same event.

This year's track team presented another fine record, adding it to many made by former Schurz track teams.

Ball Hawks Attempt to Capture Crown

As we go to press our Schurz Bulldogs are tied for second place in the rough, tough North Section. At present their league record stands 9 and 3. After suffering a defeat at the hands of Lane the Bulldogs came back to score a smashing 2 to 1 victory behind the 2-hit pitching of Art Anderson. Tom Andersen, Steve Valusek, Frank Bartholomew, Dennis Eich, Larry Gorman and Ron Wolsfeld have been the outstanding players up to this time.

Steve Valasek puts tag on enemy base runner.

Ron Ronson slides into third with a triple.

Coach Postl hits ground ball during infield workout.

Bob Bergner shows his talented form that has won him the reputation of being a good relief pitcher.

Mermen Look Impressive in City Meet

Aside from being high man on the team, by edging out Paul Koehler by one point, Bruce Nitche set a city record in the one-hundred butterfly stroke at 1:01.3, and also first in both individual medleys, one on December 20th and the other on March 25th. Paul Koehler took second place in the forty and the hundred yard freestyle, which took place in a twenty yard pool. In the twenty-five yard pool he took second and in the fifty yard free-style and fourth in the one hundred yard free style. Here are the other impressive stars of the Schurz senior relay team that placed in city: Edward Chouinard, Robert Larsen, Loyie Sims, Erwin Schniderman, Andy Upatnieks, Dennis Bates, Vern Loverde. Here are the seniors who placed in the Northwest relays: Charles Barholomew, Frank Bartholomew, Edward Chouinard, Paul Koehler, Robert Larson, Vern Loverde, Bruce Nitche, Loyie Sims, Erwin Schniederman, Andy Upatnieks.

Next came the promising juniors. Harold Miller and Art Gulbrandson were tied at one hundred and sixty-one points for high man. Miller ook first in both the forty and fifty back stroke. Gulbrandson took third in the one-hundred yard free style, and fourth in the twenty-five yard individual medley. Here are the members of the junior relay team that placed in city: Don Coltman, Mike Matlak, Larry Nichols, Art Gulbrandson, Rich Phillips, Harold Miller, William Snyder, Rich Malinare, Bill Thompson, James Helleckson. Thus our swimming team finished another fine season, hoping next year to take first place, during the fiftieth anniversary of Schurz.

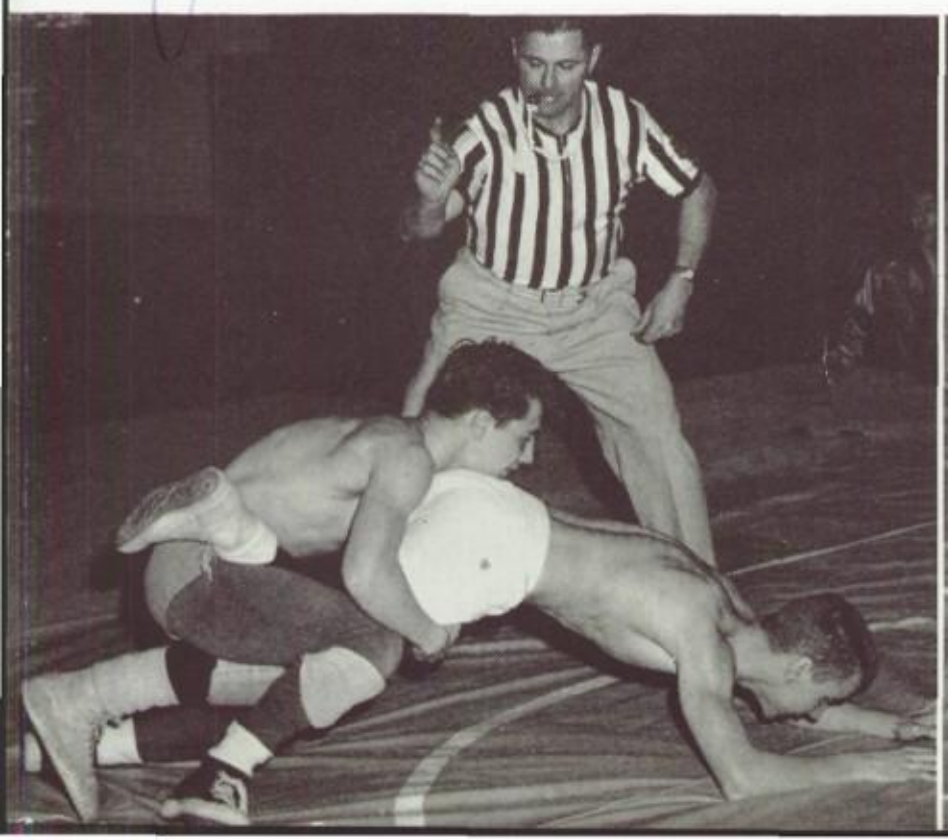
Matmen Take Third in City

The Schurz wrestling team managed to take eight places in city, second only to Lane and Tilden. Here are the boys who contributed towards this achievement:

Bob Hutzenlaub took fourth in the 145 pound class, Kaufman and Cook took second and third in the 95 pound class, Fred Bates took city at 120, Tom Koenig took third. Seve Kaufman at 133 took fourth place. Then came the most interesting event of the day. It was between the Phillips brothers, Rich and Bob. First Rich would come up with a clever take down, then Bob would counter with a clever reverse. It was nip and tuck all the way, but the final decision went to Bob Philips and deservingly so. Jim Karambelas, Darryl Sandburg, and Don Clewis were unable to wrestle in city due to injuries. Thus the Schurz Matmen ended one of the most successful years in the city competition of all times.

Captain Tom Koenig gets two points for a take-down.



Bob Phillips, city champion, shows wining form.

SENIORS

A memory beneath a starry sky, lingering onward dreamily
Of an evening in June — the prom

Much has paled that starry sky, Echoes fade and memories die,
Yet, still remains to take its place — a dream

Ever drifting down life's stream,
Pausing on a golden gleam to wonder — life
Whose echoes live in memory yet,
Though envious years would say "forget."
